RAMP Member Website Update

Members will notice minor changes to the header image of all RAMP websites this month as Saskatchewan Soccer works with RAMP to update our online presence with our new brand identity. In addition, the Saskatchewan Soccer website will be updated to reflect the new brand marks and complementary designs. As we work toward full deployment of the new brand slowly, members will begin to see more of the brand at events such as the upcoming Soccer Day in Saskatchewan and in regular correspondence with our Member Service, Development, Business Development, and Competitions teams.

Any questions related to the re-brand process can be directed to communications@sasksoccer.com
